

# LEPASA METAVERSE

CHANCE TO EARN THE MOST POWERFUL & ULTRA-RARE NFTS

## INTRODUCTION

Lepasa - One of world's most promising Metaverse Project is offering an "Exclusive Lepasa BULL Collection". This is an extremely limited edition collection of 1210 Lepasa Bull NFTs, which "No One Ever" will be able to buy from Lepasa, Rather these exclusive NFTs could only be earned through contributing towards Lepasa awareness by content creation, knowledge sharing & if you believe in Lepasa so act as front line soldier for Lepasa Community. The whole world will be just witnessing this exclusive collection earned in Discord Battleground, & eventually only you will be the ones who will list them on the secondary market like OpenSea.

The NFT collection is divided into 5 categories.

**Only 1210** NFTs and will never be available for sale from Lepasa.

**Most Powerful** NFTs are bulls and will have highest powers to buy land in Lepasa Metaverse.

**3D Game Ready** Makes them unique. They are not just JPEGs but fully rigged character.

# LEPASA DISCORD SERVER ROLES, LEVELS AND PROGRAMME CATEGORIES

---

## AWAKEN LEPASA

- **VINES** are Lepasa digital fan art creators. This could be anything that helps Lepasa get the eyeballs on the internet for example a meme that's original and stands out, a video teaser that will turn heads or even bake a cake with Lepasa written on it you are only limited by your imagination here. **150 Awaken Lepasa Bull NFTS** are reserved for our Lepasa vines. Let's show off some skills in our beloved community. Minimum of 2 submissions required to get a **VINE** role but to win an **Awaken Lepasa Bull NFT** you only need something that stands out from the crowd.
- **FUELERS** will fuel discord server and they are very important to Lepasa discord server as they are willing to bet their nitro boost on us, Hence we have decided to **RESERVE 50 NFT'S** for our **FUELERS**. These will be given out via random selection twice every week. (ONLY ONE PER PARTICIPANT)

## LEVEL-UP ROLES & NFT WINNING PIT STOPS

### CONSCIOUS LEPASA

**VOYAGER** 200 Spots at this level. First come First served.

They have embarked on a journey that will be hard and investing. Will they settle for Conscious Lepasa BULL NFTs or shoot for the stars only time will tell. To achieve this role you will have to reach Level 5 on Lepasa discord server.

#### Eligibility

1. Invite 10 humans to Lepasa Discord Server, who can see the potential and can participate in the programme.
2. You must be holding at least 100 Lepa tokens.

**INTREPID** 200 Spots at this level. First come First served.

These are our fearless explorers who have acquired a fair bit of knowledge about the Lepasa metaverse project and actively helped with queries of other members on discord to the best of their ability. To achieve this role you will have to reach level **10** on the Lepasa discord server.

#### Eligibility

1. Invite 10 humans to Lepasa Discord Server, who can see the potential and can participate in the programme.
2. You must be holding at least 250 Lepa tokens.

## **CENTURIONS 200 Spots at this level. First come First served.**

Centurions are committed to the vision of Lepas Metaverse. They are in fact leading the way for our Voyagers and intrepid helping them however they can in Lepas discord server. To achieve this role one must reach Level **15** on Lepas Discord Server.

### **Eligibility**

1. Invite 10 humans to Lepas Discord Server, who can see the potential and can participate in the programme.

### **Eligibility**

4. You must be holding at least 2000 Lepa tokens.

## AND YOU THOUGHT, THIS WAS GOING TO BE EASY

We will make sure these exclusive NFT rewards land in the hands of worthy.

### TERMS & CONDITIONS

1. Except VINES and FUELERS all other discord level up roles will get you only one NFT, You can chose which one to go for considering the time you can invest and amount of LEPA tokens you can hold.
2. All 600 conscious Bulls are available @ three NFT winning pitstops titled VOYAGER, INTREPID and CENTURION. It is designed in such way so that early supporters have an edge over the ones joining in late. All of the NFTs in Conscious Lepasa segment have the same powers to buy land in metaverse.
3. All of the participants will be monitored by us on what they are talking about in the server.
4. Single word chats and Hi, Hello, Good Morning, Good Night sort of conversations are strictly not allowed. Doing so will surely will make you non-eligible for rewards.
5. It might be hard to talk about project every-time. You can talk about relevant industry by not promoting other projects. You discussions can be on the future or use cases of the metaverse, you can share new ideas. Make sure at least 40% of discussion is on Lepasa.
6. All of the rewarded NFTs will be available for hard mint after public mint in order to preserve effort of community.
7. Winners of Fiesta Lepasa are expected to maintain constant activity in Lepasa Discord Server even after they have secured soft minted NFT. Failure to do so will result in demotion and NFT reward will be given to the next worthy in line. **VINES & FUELERS are exempted from this condition.**

Lepasa Metaverse will have various districts. Each district and the zone will offer unique utility with its functional infrastructure. There will be Land Grids available against Lepa token. But each land grid would be exclusive for **Lepasa NFT Holders**.

Lepasa Bull NFT collection is the most powerful with ALBP (Average Land Buying Power) of 50 land Grids, Whereas all other NFTs will ever be issued will have ALBP of 20.

Also note that all of the NFTs from Lepasa are 3D Game-Ready. They are fully rigged character and can be integrated into games and videos.
